

Drive Safe, Play Strong

With Denlo Volkswagen

Proudly supporting

Powering the Community

At Denlo Volkswagen, we believe in the power of community, people and the importance of giving back. That's why we're thrilled to announce our sponsorship of the Eastwood Ryde Netball Association (ERNA).

As a local business, we understand the significance of supporting organisations like ERNA that play a vital role in our community.

Our sponsorship is all about making a meaningful impact. We've dedicated ourselves to ensuring that our support provides tangible benefits to ERNA members. Whether it's through hosting events, providing expertise within the automotive space, or simply lending a helping hand, we're here to support ERNA in any way we can.

At Denlo Volkswagen, we're proud to stand alongside ERNA and its members, to help build and grow the netball community.

Sharing the Community Spirit

With Maddy Proud being our Denlo VW Brand Ambassador, we're excited to provide opportunities for ERNA members to interact with Maddy for some exciting upcoming activities and training sessions. This year we are opening a state-of-the-art service centre in Rydalmere, and we'll be inviting ERNA mums to get together, share a drink and learn about maintenance by our Customer Experience Manager, Jessica Eldridge.

On the first Saturday of each month we'll be at Meadowbank or Brush Farm, providing free vehicle health checks, opportunities to win prizes, and more.

Stay tuned for the above, and much more.

We're proud to announce exclusive offers for Eastwood Ryde Netball Association families.

Receive 25% off your scheduled vehicle service - Whether you own a Volkswagen or not*.

Receive a 3 Year Care Plan & 3 years of roadside assistance on a new or demonstrator vehicle purchase*.
